The business environment is uncertain. The global market pressure, the diverse and dynamic human resources, talent crunch, scarcity of financial and material resources, global recession, international trade regulations and overall the ever changing and challenging business environment forces making the planners, administrators, academicians and policy makers to think and rethink strategically to make optimum utilisation of resources in such a way that the organisations can achieve competitive advantage for organisational effectiveness and excellence. The topic "**Strategic Resource Management**" has chosen keeping in view the present need of the hour.

Kushagra Institute of Information and Management Science (KIIMS) is proud to organise its 2<sup>nd</sup> annual international conclave "**Kushagra International Management Conclave 2011**" in Bhubaneswar on 3<sup>rd</sup> and 4<sup>th</sup> December 2011 on the topic "**Strategic Resource Management**" at IDCOL Auditorium, Near IG Park, Bhubneswar in collaboration with Southampton Solent University (SSU), United Kingdom (UK). This Conclave is an approach to move internationally towards bridging the gap between the industry and academia with a proper insight of development in the proposed sphere of themes and sub-themes. This event will be a landmark for a range of activities across the boundaries of corporate affairs and academia. The conclave is meant to highlight the much emerging issues which do need the attention from every walk of corporate and academic life. The "Kushagra International Management Review" Vol-I, Issue-I with ISSN registration will be released in the inaugural session of the conclave.

KIIMS, promoted by Padhee's Tutorial Pvt. Ltd., incepted in the year 1999 under the auspices of Bhagat Education and Research Trust, is a pioneer institution from the twin city of Cuttack-Bhubaneswar, offering full-time **MCA** and **MBA** programme approved by the AICTE, Ministry of HRD, Govt. of India and affiliated to Biju Patnaik University of Technology, situated adjacent to NH-05, in front of Cuttack Sadar Police Station, Pirabazar, Gopalpur, Cuttack 753 011, Odisha, India.

KIIMS believes in creating and disseminating knowledge and skills in core and frontier areas of Management and IT. The dynamic business environment demands learning new skills and upgrading the existing ones in today's technology-driven and competitive business scenario. Recognizing the need of this changing environment, we have implemented more value added courses and excel our academic tie ups with many corporate, foreign universities and educational institutions which helps our students and faculty members to equip themselves with professional capabilities.
