ABOUT THE INSTITUTION

Indira Gandhi Institute of Technology (IGIT), Sarang was established in 1982. IGIT, Sarang offers Ph.D, PG, UG and Diploma programs in Engineering and Science. All the programmes were accredited in the year 2016 by the National Board of Accreditation of AICTE. The departments are greatly benefited by the expertise of faculties. The institute is extremely proud of its alumni, a considerable number of them being entrepreneurs or senior executives in industries both within India and abroad. The climate is good and amusing at IGIT during March. The stay will be very much pleasant during this period.

ABOUT THE DEPARTMENT

The Department of Mechanical Engineering has all the infrastructural facilities required for imparting high quality education and is planned to meet the present day needs of the society. The department is well equipped with excellent laboratories provided with state-of-art equipment and experimental facilities. It also has highly qualified and experienced faculty members.

PUBLICATIONS

At least one author of each accepted paper is required to register and present the paper at the conference. The accepted papers will be published in the conference proceedings with ISSN no. Some presented papers will be published in the following journal.
