National Innovative Project Fair (NIPF-2017)

Gandhi Institute for Technological Advancement (GITA), a pioneer in the domain of Technical Education and Research, has always been a run-way for celebrating technology and innovation.

GITA is accredited by NAAC at A Grade with 3.30 CGPA. It is also accredited by NBA (National Board of Accreditation, New Delhi. It is approved by DSIR, Department of Science & Technology, Govt. of India as a Scientific and Industrial Research Organisation. It is located in Bhubaneswar, the capital city of Odisha and the city of temples with rich cultural heritages and the recent smart city, which carries the legacy of temple architecture and fast becoming the hub for software, industries, health care, education and research.

ISDC, a GITA initiative, is going to host National Innovative Project Fair (NIPF) 2017, where research scholars and students guided by experts will demonstrate their latest knowledge and skills in innovative projects, designs and experiments from 21th Feb to 22nd Feb 2017. This two days long technological extravaganza will certainly excite the taste buds of future innovators.
